

Eyelets on baffles must be folded up to allow suspension kit to be attached

Common suspension for two baffles in a row

1	Universal Baffle 2F
2	Classic Suspension Kit (#233139)
3	Fixing (not supplied)

Acoustic performance dictated by distance between parallel rows (see dimension 'X' in Section B - B).
Contact UK & I Technical Department for available test data

Section A - A

Section B - B

All screws and fixings shown are for illustrative purposes only.
Suitable fixings should be selected based on structure and materials used.
